

Conclusion

These amendments are made in the interest of advancing the allowance of this application. In that same interest, the Applicant wishes to have an opportunity to orally discuss both the distinct nature of the present invention over the cited art and the amendments which have currently been made to claims 6 and 9. As noted in the Remarks section of the most recently filed Response, these amendments were made for clarification purposes, such as to highlight the unique nature of the present invention's use of "profiles."

Respectfully,

Microsoft Corporation,
(Assignee of the entire interest)
